

2nd Marketplace Slovakia and Czech Republic

Hand tools, precision tools, power tools, personal protective equipment and workshop equipment

10. – 11. May 2023, Trnava

Event concept

The marketplace in Trnava offers E/D/E members the opportunity to meet with concept suppliers from the hand tools, precision tools, power tools PPE and workshop equipment. This format enables extensive communication for representatives, managing directors and customers.

Contents and advantages of the trade fair days

- Product innovations:** The highlights of the suppliers experience, understand and use at first hand
- Cooperation:** industry and trade in one place for the best exchange of information
- Trade fair:** Over 150 sales representatives and customers meet over 28 major suppliers. This creates a multifaceted communication among professionals
- General conditions:** Structured processes, attractive prizes for our marketplace visitors and a friendly ambience accompany the event

Pre-event

On the evening of 10 May, we cordially invite you to a dinner together at the hotel.

Use the time in a convivial atmosphere for one informative exchange with interlocutors from the branch and let the evening together with us fade away.

Raffle

In order to take part in the raffle, members only have to fill out the form and drop it into the raffle box.

In return, they collect stamps at all supplier stands and in the E/D/E information lounge.
